

Other Bible Study Options

In addition to Sunday Morning Bible Studies, we offer groups for men and women throughout the week. These groups focus on building relationships, growing in our knowledge of and intimacy with God, and developing a deeper understanding of how the Bible fits into our daily lives. If you would like to know more about our current schedule of groups, please visit our website, www.rbbc.net, or call the church office.

Why Adult Bible Study?

Are you looking for a place to study God's Word? Do you long to know how to apply it to your life today?

What does the Bible say about this thing called, "Life"?

Are you looking for a community of strong relationships? Adult Bible Study (ABS) may be just what you are looking for.

Our Bible Studies are designed with you in mind. With a variety of sizes, topical tracks, and teaching styles, we have a group that will specifically suit who you are. Some of these groups are for married or single co-eds, some are for men or women only, and others are designed for married couples. Whatever your stage in life, we are here to assist you in your walk with Christ.

ABS teachers bring life-changing lessons from the Bible each week. These Bible lessons are the very core of our ministry because we believe that the Bible is God's road map and guidebook for life. In it, He gives us instruction, encouragement, hope, and direction. We believe that your life will be filled with meaning and promise as you discover the God of the Bible.
